

So you want to earn Extra Credit?

All of the following must be true in order for you to earn extra credit. If any of these are true when you complete extra credit but are no longer true at the end of the grading period, no extra credit will be awarded.

TRUE OR FALSE??

1. I have no more than one missing assignment.

If you have any more than one, you must make them up (for no credit) before you will be able to earn extra credit. Ms. Hotz will be glad to tell you whether or not you have any missing assignments as long as you ask at an appropriate time (i.e. not right before class starts)

2. I have no unexcused absences. Three unexcused tardies = one unexcused absence. Check with Ms. Hotz outside of class time if you are unsure of where you stand.

3. I have filled out the proposal form and it has approved it in writing by Ms. Hotz. Remember to wait for written approval and/or comments *before* beginning work if you wish to get credit.

4. I am turning in my extra credit in on or before the Monday before the last Monday of the grading period.
